ONE MORE

A 3-Month Evangelism Guide

PRAY. ENGAGE. INVITE.

BIBLICAL DEVOTED LIFE

There Is Always One More

God places people around us who need the hope of Jesus. This three-month guide helps you prayerfully focus on one person, build a genuine relationship, and invite them into Christian community.

The three-month rhythm

• Month 1: Pray - ask God to work in their heart and create opportunities.

• Month 2: Engage - build trust through real, gracious relationship.

• Month 3: Invite - clearly and naturally invite them to church or a BDL gathering.

> Choose one person. Stay faithful. Trust God with the results.

Month 1: Pray

Devote yourself to prayer

- Pray for their heart to soften toward God.
- Ask for opportunities to speak and listen well.
- Pray for natural spiritual conversations.
- Trust God to work even when you cannot see it.

> **Colossians 4:2** - Devote yourselves to prayer, being watchful and thankful.
